STAR RANKING Fortis L Fund Sector World

The Fortis L Fund "Europe" sector compartments are still too young to be eligible for the "Star Ranking". Only the World sector compartments are eligible (at least 3 years old). Stars are distributed like the following chart, inside each Micropal category. The top 10% funds in a category obtain 5 stars, the following 20% obtain 4 stars… etc.

FUND MANAGEMENT RATING by Standard & Poor's

Seven sector compartments of the Fortis L Fund have been awarded the "A" rating by Standard & Poor's, the internationally renowned, independent rating agency.
These ratings reflect an investment process that is consistent with the funds' objectives and with the maintaining of a steady volatility-adjusted out performance as compared to our competitors.
